Topic : “Egypt’s Festivals of Light and Color”

Short abstract:

Egyptian festivals are filled with light, color, and joy, from the spring celebration of Sham El-Nessim to the glowing lanterns of Ramadan and the joyful feasts of Eid. Like Japan’s seasonal traditions such as Hanami or Obon, these celebrations bring families and communities together, blending food, and shared memories.

Through photos and stories, we will explore Egypt’s most beloved festivals, highlight the warmth of Egyptian culture while draw connections with Japan’s own rich tradition of seasonal celebrations.
